

Clear View 305 RTU Glass & Window Cleaner represents a technological breakthrough in the cleaning of glass, mirrors, windshields, stainless steel, and most other hard surfaces. It provides a polishing effect and by reducing the surface tension of water remaining on the surface being cleaned, the remaining liquid sheets across the entire surface, reducing spotting. Its combination of solvents and ammonia offers superior cleaning to alcohol-based glass cleaners, especially on greasy and oily soils. Clear View leaves virtually no residue or streaks when properly wiped.

## Physical Properties

Appearance:	Blue Clear Liquid
pH (undiluted):	10.5 - 11.5
Weight:	8.31 lb/gal
Specific Gravity:	0.998 g/cc

## Directions

Use on windows, glass, mirrors, windshields, desk tops and other glass surfaces, as well as stainless steel, appliances, stoves, counter and table tops, etc. For best results, spray directly on surfaces to be cleaned. Wipe with soft cloth or paper towel.

## Caution

Keep out of reach of children. May cause eye and skin irritation.

## First Aid

### Eyes:

Immediately flush with plenty of water.

### Skin:

Rinse with water.

### Inhalation:

Remove to fresh air.

### Ingestion:

Give two glasses of water and induce vomiting. Get medical attention.

## Non Warranty
