

Formulated with a pine/quaternary combination, Pine Fragrance Disinfectant/Cleaner 438 disinfects, deodorizes and leaves behind the pleasant odor of pine. In addition to being a superior disinfectant, Pine Fragrance Disinfectant/Cleaner 438 is excellent for general cleaning in areas where a fresh smell is desirable, such as garbage pails, sink tops and bathroom areas including toilet bowls and urinals which are prone to odors caused by the growth of microorganisms.

Physical Properties

Appearance:	Clear Amber Liquid
pH (undiluted):	11.0 - 12.0
Weight:	8.64 lb/gal
Specific Gravity:	1.037 g/cc

Directions

Pine Fragrance Disinfectant/Cleaner 438 has been designed specifically for homes, motels, schools and other non-medical institutions where housekeeping is of prime importance.

Disinfect Hard Previously Cleaned Surfaces:

To disinfect hard inanimate previously cleaned surfaces (such as walls, floors, table tops), add 2 oz. per gallon of water. Apply solution with mop, cloth, sponge or mechanical sprayer so as to wet thoroughly, allow air dry.

Toilet Bowls:

To disinfect toilet bowls, preclean the bowl, flush toilet, add 2 oz. directly into the bowl water. Swab the bowl completely using a scrub brush or toilet mop, making sure to get under the rim. Let stand for 10 minutes and flush.

Disinfection:

For disinfection, a precleaning step is required and recommended. Prepare a fresh solution for use.

Non Warranty

The suggestions and data in this bulletin are based on information we believe to be reliable. They are offered in good faith but without guarantee, as conditions and methods of use of our products are beyond our control. We recommend that the prospective user determine the suitability of our materials and suggestions on an experimental basis before adopting them on a commercial scale.
