

Ultimate 400 Cleaner/Degreaser is an outstanding grease emulsifying cleaner formulated to remove greasy dirt, oils, waxes, and heavy soils from any hard surface. It contains no solvents yet emulsifies and clean away greases and oils far better than the strongest butyl cellosolve-based cleaners.

## Physical Properties

Appearance:	Green Clear Liquid
pH (undiluted):	13.0 - 14.0
Weight:	8.91 lb/gal
Specific Gravity:	1.07 g/cc

## Directions

Ultimate 400 Cleaner/Degreaser can be used at a dilution ratio of 1:128 (1 oz. per gallon) to full strength.

Hot water will improve cleaning results and reduce cleaning time and effort. To the right are some suggested dilutions for average soil loads. Use less water or soak longer for heavily soiled surfaces. Ultimate 400 Cleaner/Degreaser should be sprayed, brushed or mopped on the surface to be cleaned. Allow to soak a few minutes and rinse thoroughly.

## Non Warranty

The suggestions and data in this bulletin are based on information we believe to be reliable. They are offered in good faith but without guarantee, as conditions and methods of use of our products are beyond our control. We recommend that the prospective user determine the suitability of our materials and suggestions on an experimental basis before adopting them on a commercial scale.
